Deep Dive and Collective Action Planning Sessions

Time	Session	Facilitators/ Presenters
<p>Session 6: Preparations for the FATF Mutual Evaluation 2026: CSOs Readiness and Civic Safeguards: As Zimbabwe prepares for the Financial Action Task Force (FATF) Mutual Evaluation in 2026, there is growing attention on the role of non-profit organisations (NPOs) in the country's anti-money laundering and counter-terrorism financing (AML/CFT) framework. This session seeks to foster dialogue between the regulator, CSOs, and experts to ensure the sector's readiness and safeguard civic operating space within the FATF compliance process. Through a conversation between the FIU, the PVO Registrar, and civil society representatives, the session will aim to build a shared understanding of the Mutual Evaluation exercise, risk-based approaches, highlight required safeguards, and identify collaborative actions needed to ensure both compliance and the protection of civic space ahead of the 2026 evaluation.</p>

Time	Session	Facilitators/ Presenters
Session 7: Localisation in Action: Making a Shift from Rhetoric to Reality: Sponsored by BVTA <i>The localisation agenda has become central to development cooperation, emphasizing the transfer of power, resources, and decision-making to local actors who are closest to the communities they serve. While the rhetoric around localisation has gained strong momentum in global and national discourse, practical implementation in remains the missing link. This session seeks to assess the progress made in advancing localisation within the civil society and development ecosystem. It will explore the extent to which donor commitments, intermediary partnerships, and CSO practices have translated into tangible shifts in leadership, funding, and accountability towards local organisations. The discussion will interrogate persistent barriers, highlight promising practices, and chart forward-looking strategies for strengthening local ownership, capacity, and sustainability.</i>
